

2025 40 Days for Life: Additional notes for church liaisons

Media Inquires: If any media happen to approach the vigil, please do not comment and only provide my name and GARTL contact info. Contact cards with contact information are available for use. Please ensure vigil participants have this info as well.

Guelph Community Health Centre Inquires: GCHC staff and volunteers visit the vigil at times to chat with vigil participants. If a GCHC staff or volunteer would like to discuss 40 Days for Life beyond what you or any participant is comfortable speaking with them about, please feel free to also give them my name and GARTL contact info.

Hostility and aggression from the public: Please encourage vigil participants to not engage in interactions with anyone that is showing signs of hostility or aggression. Please ensure each participant signs a statement of peace before joining the vigil.

To sign up for vigil hours online visit 40daysforlife.com/Guelph

Additional materials, including more copies of the poster, brochure, statements of peace, and vigil sign up sheets are available from the GARTL office. Just let me know what you need! Call 519-836-6311 or email us at info@guelphforlife.com.

Your involvement is invaluable and greatly appreciated. The GARTL team is here to support you throughout the vigil. Thanks for everything you do to stand for life!

Joe Montague
GARTL Program Manager &
2025 40 Days for Life Guelph Campaign Leader
